

PRODUCT

4M Cheyenne

Upholstery fabric category	microfibre with leather embossing
Material	100% polyester (PES)
Care labelling	

CTL® GmbH

QUALITY FEATURES

The product complies with quality requirements according to DIN EN 14 465:2006

Abrasion resistance EN ISO 12947-1 & 2	30,000 cycles
Pilling EN ISO 12945-2 – 2000 cycles	4-5
Light fastness EN ISO 105-B02 – method 2	4-5
Colour fastness to rubbing EN ISO 105-X12	5/3-4
Cigarette test DIN EN 1021-1	passed
MAK amines, azo dyes EN 14362-1 & 3	not detectable
Allergenic & carcinogenic dispersion dyes DIN 54231	not detectable

Other test results are available on request from designwerk.

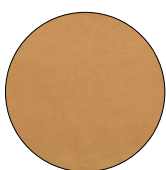

PROPERTIES OF THE COVER FABRIC

With its authentic appearance of genuine full-grain cowhide leather the high-quality CHEYENNE upholstery fabric improves every piece of furniture. Its special embossing and fine feel will inevitably remind you of the velvety character of nubuck leather. CHEYENNE perfectly imitates this refined touch. Whether it is combined with natural materials such as wood or with elegant metal elements, the fabric effortlessly integrates into the design and lends your furniture an authentic appearance. A special feature of CHEYENNE is its longevity – the older it gets the more it reveals its unique personality.

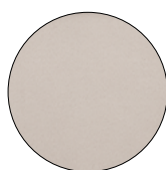

CHEYENNE is composed of two fabric layers and an intermediate polyurethane layer – an impressive combination, both in terms of appearance and feel.
