Cigarette test DIN EN 1021-1	passed
MAK amines, azo dyes EN 14362-1 & 3	not detectable
Allergenic & carcinogenic dispersion dyes DIN 54231	not detectable

Other test results are available on request from designwerk.

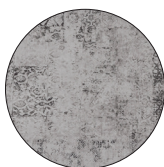

PROPERTIES OF THE COVER FABRIC

When looking for a fabric that impresses with its elegant aesthetics and makes comfort tangible due to its soft feel, VELVET DREAMS I is an inevitable choice. Its matt, soft surface finish characterises this high-quality cover fabric that is available in most varied colours and vivid designs. Despite its velvety touch, VELVET DREAMS I is unbelievably easy to care and has been tried and tested in everyday use. Velour fabrics are authentic time witnesses that tell their story through varying shades and sitting marks without forfeiting longevity.

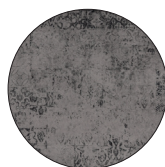

VELVET DREAMS I is an exclusive velour fabric that is given its aesthetics through transfer printing. The hard-wearing polyester fabric is soft, robust and particularly easy to care.
