Central Park (Outdoor)

A temple of cosiness: the 'Central Park' outdoor model cleverly combines urban flair with a natural look. The emphasised seat depth once again underlines the tempting cosiness of the piece, which is perfected by the practical seat depth adjustment and optional cushions.

The 'Central Park' model is rounded off with exquisite outdoor fabrics, all of which are resistant to chlorine and salt water. With this elegant model, we have succeeded in making unrivalled indoor comfort available for outdoor use.
