Modular sofa with extensive range of models

– The Lucy’s alluring character is inspired by both the Chesterfield and Capitoné styles and is influenced by the 60s and 70s. The handprint of this era can be seen in the free, informal style of the sofa, which can be individually configured: conventionally, with a relaxing chaise longue, as a corner sofa or as a free-standing oasis of well-being. The emphasised seat depth once again underlines the tempting cosiness of the piece, which is perfected by the practical seat depth adjustment and optional cushions. –
