Individual type programme with well-designed elements

– The New York model's attractive shapes flow into asymmetrical curves, creating a design masterpiece. Some see it for its unique contours, while others see it as an enticing focal point in their living room. The New York tells its own story of the charm, diversity and tranquillity of a global metropolis. As a sofa, the New York effortlessly harmonises with any interior design style and offers you plenty of space for relaxation, togetherness and individual design tastes. –
