Style

Living with the wow factor: Craftsmanship meets poetry. The Style was inspired by beauty itself and lives up to its name on all fronts. The Style's modern floating look, exquisite materials and the highest quality workmanship are only surpassed by its exceptional seating and reclining comfort: loose back Cushions, deep seats and soft fabrics make this sofa the epitome of cosiness. Its matching adjustable armrests leave nothing to be desired. Variability with adjustable armrests: The removable armrest can be individually adjusted and its position can be varied. The Style is robust and offers that extra cosy comfort.
