

A high-angle photograph of a modern interior. On the left is a large, brown, tufted sofa with a plush, velvet-like texture. To its right is a round, white side table with a black metal base and a circular foot. On the table sits a stack of three books; the top book has a dark cover with white polka dots. The furniture is on a dark, patterned rug. In the top right corner, there is a black circular logo with white text. In the bottom left corner, the brand name and product name are written in a serif font.

Materiale & colori

Strutture in metallo

Le nostre strutture sono realizzate a mano in Italia e sono tutte in metallo resistente. Il rivestimento in polvere nera conferisce alle strutture un aspetto particolarmente elegante.

Piani tavolo in vetro

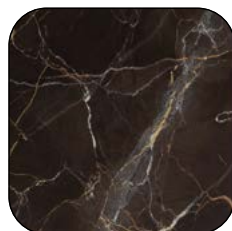

L'elegante effetto marmo è ottenuto grazie a una sofisticata tecnica di stampa digitale su vetro. Questo metodo conferisce al piano un aspetto più brillante rispetto al marmo vero e proprio, oltre a una maggiore profondità e lucentezza. Disponibile in 3 colori:

Vetro
Bianco

Vetro
Nero

Vetro
Marrone

Piani tavolo in ceramica

La ceramica consente di creare un look naturale. Oltre al loro aspetto accattivante, i nostri piani in ceramica convincono per la straordinaria sensazione tattile della superficie, che riproduce la struttura naturale della pietra. Inoltre, il materiale è estremamente facile da pulire. Disponibile in 3 colori:

Struttura
Grigio Chiaro

Struttura
Verde

Struttura
Grigio Antracite

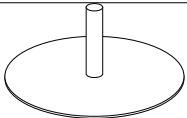

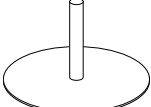

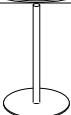

– Centre Leg non si accontenta affatto del ruolo di attore non protagonista. Con il suo look pulito e chic, attira l'attenzione di tutti. Deve la sua sottile influenza vintage al piede rotondo. –
