

PRODUCT

5M Linare

Upholstery fabric category	jacquard
Material	40 % recycled polyester 36 % recycled polypropylene 24 % acrylic
Care labelling	

CTL® GmbH

QUALITY FEATURES

The product complies with quality requirements according to DIN EN 14465:2006.

Abrasion resistance EN ISO 12947-1 & 2	70,000 cycles
Pilling EN ISO 12945-2 – 2000 cycles.	4
Light fastness EN ISO 105-B02 – method 2	6
Colour fastness to rubbing EN ISO 105-X12	4-5
Cigarette test DIN EN 1021-1	passed
MAK amines, azo dyes EN 14362-1 & 3	not detectable
Allergenic & carcinogenic dispersion dyes DIN 54231	not detectable

PROPERTIES OF THE COVER FABRIC

Linare combines exceptional durability with stylish design, creating a luxurious, sophisticated atmosphere.

Pilling is a natural characteristic of the fabric and cannot be avoided; it may also be caused by loose fibres becoming trapped in the fabric. Minor variations in colour and texture between production batches are unavoidable and may occur.

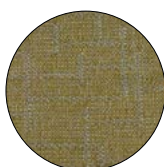

Attention: Colour-contrasting seam only for approved models.

Important: Please note that the Linare fabric is only available for the following models: Colosseo, Fluffy (sofa and bed; excluding the rocking armchair), cushions, New York, Pantheon (bed), Parma, Puzzle, Rondo, Silky, Solara, Temple (bed), Valena, Vola

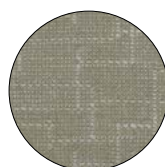

Other test results are available on request from designwerk.
