Solara

Model: Solara 2HT left + trapeze corner + element 90 + element 90 armrest right + 6 headrests
Cover: fabric Mohair D320 Grey

SOLARA

Details

Adaptive multi-function headrests and practical armrest adjustment

Delicate legs for a light, floating look

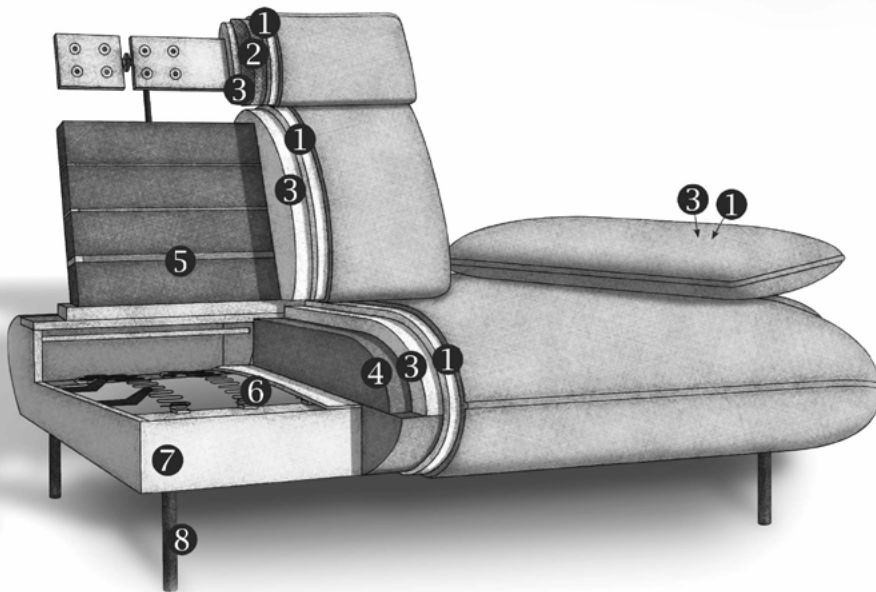

Wide range of modules

– Solara is the avant-garde model among the designwerk sofas! In terms of functionality, the model impresses with its adaptive multifunctional headrests and adjustable armrests. Design-wise, Solara stands out thanks to the deliberately relaxed upholstery of the seat and backrest surfaces, the subtle draping, and the delicate legs, which give the sofa a slightly floating appearance despite its substantial size. The concept is rounded off by a wide selection of modules, allowing for maximum flexibility in planning. –

SOLARA

Technical data
